June night The night that I met you ——— It seemed that all God's an - gels, Just
night, dear, You said that you must go ——— We just sat round the fire - side, The

whis - pered "I love you" ——— And now you're going to leave me, I'll miss you, dear old
room was all a - glow ——— There's noth - ing in this world I would - n't Give to hear you

pal, Like but - ter - fly I'll be brave, just sigh, 'Cause
say, "I love you dear," You must hope and trust, And

in this war it's do or die, So now be good, lit - tle girl, don't cry ———
to come back to you I must, So now cheer up, lit - tle girl, don't cry ———
